The solution for finding the best covered call options!

Are you frustrated by the large number of options available with no way to help sort through it all?

With a subscription to the PowerOption\$ database you can:

- ▶ Sort and filter thousands of PUT's and CALL's to meet your personal search criteria and investment strategy.
- ▶ Find the stocks with the highest option yields.
- ▶ Substantially reduce the time needed to find and calculate the best yields.
- ▶ Determine the best strike price if the stock is called OR not called.
- ▶ Use fundamental information to sort and filter the potential investments to your personal investment strategy.
- ▶ Enjoy easy access to graphs from Yahoo Finance and fundamentals information from Zacks for each stock.
- ▶ Track your own list of symbols in a "Stock List".
- ▶ Track your purchases of stocks and options every day with [MY PORTFOLIO](#).
- ▶ With a single click you can get the BEST calls or puts with our suggested filter values - [POWER SELECTIONS](#).

In addition PowerOptions assists your ability to write covered calls. We provide market and statistical information on Options in a form that helps you make trading decisions. Thousands of options can be sorted by strike price, month of expiration, % gain if called, or % gain if not called. By using this information trading opportunities are made visible so you can increase your profits!
